

## Compensation at ChainXworld

In addition to the opportunity to participate in **ChainXstate's** or **ChainXcommerce** passive MetaMint-Pool income, there is also a bonus plan. This is divided into a **direct bonus** and a **matching bonus**, and is subject to the rules of a bonus difference plan. The volume is counted up to the 30th level.

	Direct bonus	Matching bonus	Volume
Trainee	2,5 %	-	0
<b>Realtor</b>	5 %	-	\$ 10.000
<b>Agent</b>	7,5 %	-	\$ 25.000
<b>Sales manager</b>	10 %	-	\$ 50.000
<b>Senior sales manager</b>	10 %	20 %	\$ 100.000
<b>Property manager</b>	10 %	40 %	\$ 500.000
<b>Senior property manager</b>	10 %	60 %	\$ 3.000.000
<b>Investor</b>	10 %	80 %	\$ 10.000.000
<b>Senior Investor</b>	10 %	90 %	\$ 25.000.000
<b>Chief of sales</b>	10 %	100 % <small>(+5% for upline in case of equal levels)</small>	\$ 50.000.000

Every new **ChainXstate** or **ChainXcommerce** partner begins their career at the **Trainee level**. At this level, the partner receives **2.5%** commission on every deposit made by his direct customers.

From a team volume of **\$ 10.000**, the partner rises to **Realtor level**. On this he receives a **5%** commission on every deposit made by his direct customers.

From a team volume of **\$ 25.000**, the partner rises to **Agent level**. On this he receives **7.5%** commission on every deposit made by his direct customers.

From **Sales manager**, for which a team volume of **\$ 50.000** is required, each partner receives a maximum of **10%** commission on every deposit made by their direct customers.

A **maximum of 10% direct commission** is paid out per partner. Depending on which level the partner's downline has reached, the difference to the direct commission is paid.

Example:

**Member A** reaches **Sales manager level** and sponsors **member B** who is on **Realtor level**. Thus **member B** receives **5%** commission and **member A** the difference ( $10\% - 5\% = 5\%$ ), which means **member A** also receives **5%** commission.

	Direct bonus	Matching bonus	Volume
Trainee	2,5 %	-	0
<b>Realtor</b>	<b>5 %</b>	-	\$ 10.000
<b>Agent</b>	<b>7,5 %</b>	-	\$ 25.000
<b>Sales manager</b>	<b>10 %</b>	-	\$ 50.000

In the event of equality (both parties are on Sales manager level or higher), no direct commission is paid.

## Matching bonus

The **matching bonus** relates to the remuneration on the passive income of the respective partner.

From **Senior sales manager level**, partners are also remunerated from the passive income of their partners in addition to the 10% direct commission (matching bonus).

Depending on the level and the team volume, a **matching bonus** of up to **100%** is paid out. The partner receives the difference in the matching bonus to his downline.
